

**Kevin L. Huguet, M.D.**

**Board Certified General Surgeon**

Dr. Huguet was born and raised in St. Petersburg, Florida. His undergraduate studies were completed at Florida State University in 1995. He received his Master's of Public Health at the University of South Florida College of Public Health in 1997 in Infectious disease and Immunology. He received his medical degree from the University of South Florida College of Medicine in 2001, where he graduated in the top 10% of his class and received the prestigious membership to the Alpha Omega Alpha Honor Medical Society. His internship and residency in general surgery were served at the Mayo Clinic College of Medicine and completed in 2006. In addition, Dr. Huguet completed a post-graduate fellowship in minimally invasive surgery at the Mayo Clinic College of Medicine in 2007. His fellowship training included advanced laparoscopic surgery techniques such as bariatric surgery.

Dr. Huguet has presented at multiple national and international meetings and published multiple articles in prestigious journals and book chapters (see attached CV link). For all of his academic work and commitment to medicine, he has been recognized as an Assistant Professor of Surgery at the Mayo Clinic College of Medicine.

He is a member of the American Society for Metabolic and Bariatric Surgery, Society of American Gastrointestinal Endoscopic Surgeons, American College of Surgeons, Southeastern Surgical Congress and the Pinellas County Medical Association.

Dr. Huguet's special interests include laparoscopic adjustable gastric banding, laparoscopic treatment of gastric and esophageal disorders, laparoscopic colorectal surgery, laparoscopic hernia surgery, laparoscopic solid organ surgery and pancreatic, adrenal and splenic disorders.

- **Basic Science Curriculum**, Mayo Clinic Jacksonville, General Surgery Residency, 2005-2006.

Description: Organized and instructed basic science course for surgical residents.

- **Oral Board Review Curriculum**, Mayo Clinic Jacksonville, General Surgery Residency, 2005-2006.

Description: Organized and instructed oral board review course for surgical residents.

- Mayo Clinic Jacksonville, General Surgery Residency, Website Curriculum, 2004

Description: Assisted with creation of online curriculum for general surgery residency based on surgical rotation.

- **Teaching Activities**

- **Invited Speaker** – “Techniques in Bariatric Surgery”, Clinical Reviews 2007: A Primary Care and Internal Medicine Update; Scottsdale, Arizona, 3/2007.  
Description: Overview of bariatric surgery for primary care physicians, Mayo College of Medicine CME course

- **Instructor** - Inanimate laboratory instructor for Mayo Clinic Arizona, 2006-2007.

Description: Instructed resident physicians weekly about laparoscopic techniques.

- **Technical instructor** - Laparoscopic Colorectal Surgery Course, Mayo Clinic Scottsdale, 2006.

Description: Instructed laparoscopic colorectal surgery lab, Mayo College of Medicine CME course.

- **Invited Speaker** - General Surgery Residency Laparoscopic Anatomy Course, Rectal Anatomy, Mayo Clinic Scottsdale, 8/2006.

Description: Presentation of rectal anatomy, and instructed laparoscopic techniques and anatomy in cadaveric and animal models.

- **Invited Speaker** - “Pheochromocytoma and Laparoscopic Surgery”, Rochelle School of the Arts, Lakeland, FL, 11/2004.

Description: Invited to give lecture to students about the laparoscopic approach to pheochromocytoma.

- **Presenter, Minimally Invasive Surgery Conference** – Laparoscopic Gastric GIST Resection, Mayo Clinic, Rochester, 5/2007.

Description: Multi-institutional surgical conference.

- **Grand Rounds Conference**

- Carcinoid – Carcinoma like tumor? Mayo Clinic Jacksonville, 11/2005.

Description: Literature review of gastrointestinal carcinoid tumors.

- Pancreatic Cystic Neoplasms, Mayo Clinic Jacksonville, 5/2004.

Description: Literature review of cystic pancreatic neoplasms.

- Cholelithiasis, Mayo Clinic Jacksonville, 4/03.

Description: Case presentation and overview of different treatment strategies reviewed in the literature.

- Mesenteric Venous Thrombosis, Mayo Clinic Jacksonville, 7/02.

Description: Case presentation and review of the literature regarding the diagnosis and management of mesenteric venous thrombosis.

- Adrenal Tumors, Mayo Clinic Jacksonville, 10/01. Description: Review of the management and pathophysiology of adrenal tumors.

- **Medical-Surgical Conference**

- Intraductal Papillary Mucinous Neoplasm, Mayo Clinic Scottsdale, 1/2007

- Necrotizing pancreatitis, Mayo Clinic Scottsdale, 9/2006.

Description: Case presentation and review of the literature regarding current treatment strategies for necrotizing pancreatitis.

- **Gastrointestinal - Surgical Pathology Conference**

- Rectal Carcinoid Tumors, Mayo Clinic Jacksonville, 4/2004. Description: Case presentation and review of the literature regarding rectal carcinoid tumors.

- Gallbladder Cancer, Mayo Clinic Jacksonville, 12/02.

Description: Case presentation and review of the literature regarding current treatment strategies for gallbladder cancer.

- Gastric Perforation after Nissen Fundoplication, 3/02.

Description: Case presentation and proposal of correlation between cyclo-oxygenase II inhibitors and gastric perforation after Nissen fundoplication.

- Gastrinoma, Mayo Clinic Jacksonville, 9/01.

Description: Case presentation and review of the literature regarding diagnosis and management of gastrinoma.

- **Hepatobiliary Conference**, Cholangiocarcinoma, Mayo Clinic Jacksonville, 9/2004

- **General Surgery Resident Conference**: Cholelithiasis, Mayo Clinic Jacksonville, 8/01. Description: Review of the literature regarding cholelithiasis and management techniques.

- **Honors and Awards for Education**

- Medical Student Excellence in Teaching Award, Mayo Clinic Jacksonville, 2006
